500 CLUB

So, what does Maybury Open Door do?

The aim of the Maybury Open Door (formally known as the Maybury Centre) is to provide opportunities for people to work together to support social need in their community. It is keen to promote the ABILITY of people, and to encourage them to take an active role.

How does Maybury Open Door work?

Maybury Open Door is based in Harlow and is managed by a team of MRCT Community Workers and volunteers. Maybury Open Door is a community drop-in resource which welcomes adults from 18+ years, seeking to promote community spirit and integration.

Maybury Open Door is open to all and supports a wide range of adults including the elderly, people with a disability, homeless and vulnerably housed people, people on low income, isolated people and others who just need to venture out and meet new friends.

What does the 500 club mean?

We are looking to find 500 supporters who can give £2 or more each month to help keep Maybury Open Door running.

Regular support by standing order means we can plan our work, giving Maybury Open Door the confidence that comes from regular income.

If you would like to help in this way, please fill in your details below and we can post you a standing order mandate.
